

# Inclusive Recreation Services Project Webinar

November 1<sup>ST</sup> ■ 2 to 3 pm AND November 7<sup>TH</sup> ■ 2 to 3 pm

Community of Practice participants will have the opportunity to apply for one of four \$3,000 mini grants to update agency policies and procedures to support sustainable inclusive programs and/or implement an inclusive program.

The Request for Proposals (RFP) will be issued near the end of the year, with projects start-up planned for mid-February, 2019.

This webinar will present strategies for developing inclusive recreation programs. Our goal is to help organizations develop policies and guidelines for developing and sustaining programs inclusive of individuals with disabilities and other diverse groups.

### *Participants will learn:*

- Principles and guidelines that support inclusive opportunities
- Implementation strategies
- How to create welcoming environments and spaces
- Engagement strategies
- About accessibility and accomodation

Attendees of the webinar will have the opportunity to participate in further discussion of inclusive practices and strategies through a Community of Practice which will meet twice more in 2018 via conference call or web based meeting.
