Webinar Series 2021

Understanding Tic Disorders in ASD: Prevalence, Causes, and Effective Treatment

Wednesday, January 20, 2021, 12pm-1pm

Guest Speaker: Matthew O'Brien, PhD, BCBA-D, Clinical Assistant Professor of Pediatrics

CME and IBC CE Credit Available

Course Objectives:

1. Tell about the prevalence of ASD-tic disorder comorbidity prevalence and overlap in symptoms
2. Understand the differences between common repetitive motor movement behaviors in ASD and tics
3. Conceptualize tics from a behavioral perspective and learn about effective tic management

Webinar Registration: <https://attendee.gotowebinar.com/register/1011326808224004876>

Accreditation and Continuing Education:

Certificates: Certificates will be available to all who attend the live webinar and complete a post-conference evaluation. A link and instructions for accessing the evaluation and printing a certificate will be made available during the webinar. Certificates will not be mailed.

CME Accreditation: The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: As of March 18, 2020, Iowa nurses may use certificates of participation in ACCME-accredited education toward their CE requirement for licensure. Refer to "Certificates" above. Please review the Iowa Board of Nursing's website for more information.

IBON What CE Qualifies?

IBON Appropriate Subject Matter

Purpose:

To help primary care providers build their capacity to screen, diagnose, and treat children with/at risk for Autism Spectrum Disorder and other Developmental Disabilities.

To provide family-centered care that encourages shared-decision making.

Target Audience:

Physicians, nurse practitioners, nurses, physician assistants, social workers, family navigators and others.
