

University of Iowa Division of Child and Community Health
Iowa Autism Learning Community

Webinar Series 2023

Thursday, June 8, 2023 Noon – 1:00pm

Autism 101: A Primary Care Provider Primer

Guest Speaker: Beth Cramer, MD, University of Iowa Department of Family Medicine

CME and IBC CE Credit Available

Course Objectives:

After participating in this activity, learners should be able to:

- Define Autism Spectrum Disorder
- Describe red flags to watch for in your patients
- Inspect the autism-specific screening tool (M-CHAT-R/F)
- Summarize how to handle equivocal and positive results of the screening

Webinar Registration: https://uiowa.zoom.us/webinar/register/WN_AJ2s7cj0QmCD1WOHh7GIIQ

Accreditation and Continuing Education:

Certificates: Certificates will be available to all who attend the live webinar and complete a post-conference evaluation. A link and instructions for accessing the evaluation and printing a certificate will be made available during the webinar. Certificates will not be mailed.

Accreditation: In support of improving patient care, the University of Iowa Roy J. and Lucille A. Carver College of Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Available Credit Types for this Activity:

Physicians: The University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: Iowa nurses may use certificates of participation in ACCME-accredited education toward their CE requirement for licensure. Refer to “Certificates” above. Please review the Iowa Board of Nursing's website for more information.

Iowa Board of Certification Approved CE available: Certificate of participation available after the live webinar and completion of a post-conference evaluation. Refer to “Certificates” above.

Purpose:

To help primary care providers build their capacity to screen, diagnose, and treat children with/at risk for autism spectrum disorder and other Developmental Disabilities.

To provide family-centered care that encourages shared-decision making.

Target Audience:

Physicians, Nurse Practitioners, Nurses, Physician Assistants, Social Workers, Family Navigators and others.
